

GRAN FONDO KING

Sponsor Package

Event Details

The Gran Fondo King is an annual cycling event that will be kicking off in 2024 and take place for many years to come. The event is meant to showcase the beauty of King Township as a cycling destination, as well as raise the profile of businesses throughout the area that are contributing to economic prosperity and vitality for residents. Even details include:

- Organized by the King Chamber of Commerce
- Date: **October 6, 2024**. Will run in September every year
- Will include 100-200 riders, and opportunities for non-riders to participate as well
- Will include multiple routes for different skill/experience levels, each with rest stops along the way
- Start/end location: Villanova College, King City
- Lunch gala will be held following the ride
- Each route will encompass exposure to the most well-known towns/villages such as King City, Nobleton, and Schomberg

Event Management

This premier cycling event will be completely overseen by B1 Gruppo, a leading Cycling Club with international brand recognition. Principal Vito Barbera has decades of experience in the cycling world, first as a pro racer and later as the President of B1 Gruppo. B1 is a premier club that is a fixture in the King and Vaughan cycling communities.

B1 are seasoned experts in putting on large cycling events, having managed high-profile events annually such as the Luce Ride, Cucinetta Ride, and others. B1 is excited to add the Gran Fondo King to its portfolio. The King Chamber of Commerce is thrilled to have them on board and confident that they will put on a first-class event.

Sponsorship Benefits

- Promotion throughout the year in various online and off-line channels, and throughout local cycling groups
- Sponsorship opportunities abound, including leading up to and during the event
- This will be a marquee event within the cycling community and within the municipality of King in general
- The event will include participation from local politicians, business leaders, and community organizations throughout the municipality
- Get in on the “ground floor” in year 1 of an event that will continue to grow in scope, exposure, and influence throughout the years
